Subject:

The undersigned is directed to refer to subject cited above and to invite attention towards orders dated 19-10-2022, passed by the Honorable Islamabad High Court, Islamabad in Writ Petition No: 1949/2021 titled Tahir Mehmood vs Election Commission of Pakistan & Others. Para - 2 and 3 of the said orders are being reproduced below for ready reference:

"Para - 2 - The perusal of the provisions of Sections 10 and 28 of the Act reflect that the quota for employment of specially-abled persons needs to be maintained across all public sector entities and not just Federal Ministries. The report*** submitted does not state whether the said law is being implemented in relation to all public sector entities within the control of the Federal Government. It also appears that there is need to exercise the legislative authority vested in the Federal Government and the Council** under Sections 33 and 34 of the Act to put in place a roadmap with specific timelines to ensure the rights promised to specially-abled persons under the Act are given effect."*

"Para - 3 - The Council in consultation with the Establishment Division would need to ensure that every public sector organization comes up with its own HR plan to give effect to provisions of the Act, which plan is then published on the website of the respective organization for purposes of awareness and to inform specially-abled persons regarding job opportunities within such organizations. Such HR plans would need to be developed in consultation with Council, which would be able to inform the respective public sector organization as to the level of skill set of specially-abled persons as certified by the Medical Board to facilitate identification of posts against which such persons can serve."
